12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Impacts on stormwater quality resulting from illicit discharges can be reduced by implementing an IDDE program that focuses particular attention on raising public awareness.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Approximately (9200) utility bills were distributed on a quarterly basis to City residents and businesses. Utility bills included tips and information on stormwater pollution prevention. In addition, (41) "Don't Pollute Stormwater" storm drain markers were installed in high foot-traffic areas.

C. How many times was this observation measured or evaluated in this reporting period?

4

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

● Yes ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

● Yes ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

The City will continue to implement a comprehensive IDDE Program that includes raising public awareness by providing educational material and information.
