7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Provide relevant City employees with pollution prevention and good house keeping training.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Public Works Department employees serving in various disciplines attend an in-house training session that typically includes an instructional video, educational handouts, and a classroom discussion of specific Best Management Practices to incorporate into their daily work routines. Updated training is provided to existing employees every three years while new employees receive training sooner.

C. How many times was this observation measured or evaluated in this reporting period?

0

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

● Yes ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

● Yes ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Public Works Department employees received training in Feb. 2016 and are scheduled for follow-up training before Feb. 2019. New employees will receive training in the coming report year.
